PRE-QUALIFICATION NOTICE

PRE-QUALIFICATION FOR PROPOSED MENTARANG INDUK HYDROELECTRIC PROJECT (MIHEP) IN MALINAU, KALIMANTAN UTARA, INDONESIA.

PT Kayan Hydropower Nusantara (PT KHN) plans to develop a sustainable hydropower project in Malinau Regency, North Kalimantan Province, Indonesia. Located approximately 35km upstream from Kota Malinau, the proposed hydroelectric project is planned to deliver an installed capacity of 1,375MW. Further information on MIHEP is available at PT KHN's official website: www.ptkhn.com

PT KHN is committed to maximizing: a) the economic value of MIHEP to Indonesia and b) the participation of Indonesian firms in the supply of goods and services to PT KHN. Both PT KHN and its Contractors will need to **comply strictly** with relevant *Tingkat Komponen Dalam Negeri* (TKDN) Regulations, as applicable. To this end, PT KHN expects that Indonesian firms seeking pre-qualification may need to form a Consortium or JV with an experienced international company to meet the Eligibility Criteria set out below.
